## **PARKING SUGGESTIONS: Closest Parking to Zeiders American Dream Theater is the [BLUE GARAGE](#)**

- Entrance to the Blue Garage has 2 entrances one on Town Center Drive or and one on Columbus Street.
- When you enter the Blue Garage, you can park on any floor. The 2<sup>nd</sup> floor in the garage is only floor that you can access the bridge to get to our 2<sup>nd</sup> floor plaza.
- **If you park on another floor (other than the 2<sup>nd</sup> floor), take the COLUMBUS STREET GUEST ELEVATOR (not the Main Street Guest elevator) to the 2<sup>nd</sup> floor (marked on this map) and you'll see the bridge on that floor. Go across the bridge and turn right and you will see 2 sets of double doors and that is our entrance (on the left).**
- All parking garages have 30min. parking with a sign, 2hr parking with a sign and may have arrows, and Reserved parking with a sign.
- **They also have free all-day parking. The Free all-day parking that won't have any sign on the parking spot(please check the walls).** There are also handicap parking spots in the parking garages on most levels. All street parking is **2 hr. parking only.**
- If you cannot find any parking in the Blue Garage, please check the map for other parking garages close to The Z.
- Our theater is located on the second floor of Block F. All first floor of Block F are retail stores. We are not located on street level. We are only located on the 2nd floor of that block. Across from Cantina Laredo restaurant.
- A street level elevator is located to the left of the Grand Staircase. At the top of the Grand Staircase is The Z's set of double door entrances on the right. There is also the Blue Garage elevator you can use to get to the 2<sup>nd</sup> floor of the garage and take the bridge over to our block to access our building.
